HOSA

Future in Healthcare? Join HOSA!

WHAT IS HOSA?

HOSA is a student organization for anyone interested in healthcare. It helps you build leadership, teamwork, and real-world health skills. Memebers explore various medical careers trhoguh competition, club events, and educational experiences, gaining practical knowledge and insight into the healthcare field.

OUR MISSION/GOALS

HOSA offers a variety of opportunities that help students grow their knowlege, skills and confidence in healthcare. Our main goals include:

- ***Developing real-world health skills*** - practice techniques like emergency response and wound care
- ***Nourish leadership and teamwork abilities*** - build you communication and collaboration
- ***Discovering healthcare careers*** - learn about different paths and opportunities in healthcare
- ***Participating in competitions*** - apply your skills and connect with other students

COMPETITIONS

HOSA competitions give students a chance to challenge themselves and connect with others in the healthcare field. There are over 80 events across several categories:

- ***Health Science*** - Medical Terminology, CPR, Clinical Nursing
- ***Teamwork*** - Public Health Team, Health Career Display, Clinical Nursing Team
- ***Leadership*** - Prepared Speaking, Parliamentary Procedure
- ***Recognition*** - Health Education, Health Knowledge Bowl

Not sure which events to choose? This guide ranks HOSA events by difficulty:

HOSA Events Difficulty Scale
