

WELCOME TO YEARBOOK CLUB!

WHAT IS YEARBOOK CLUB?

- We create our school's yearbook from start to finish.
- Capture important school events and everyday moments
 - Design creative page layouts and themes
- Write captions, stories, and highlight achievements
- Celebrate our school community in a lasting way

WARNING

Yearbook is very fun BUT also **Responsibility!**

- **Deadlines matter** → Pages must be finished on time so the book can be printed
- **Commitment counts** → Missing photos, captions, or layouts affects the whole team
 - **Hard work required** → Events, late edits, and last-minute fixes happen
 - **Team effort** → Everyone must carry their weight so we succeed together
 - **Work as a team** → Collaborate with friends to make something meaningful

⚠️ If you cannot meet the expectations, you will be kindly asked to give up your spot so the team can keep moving forward.

INFO.

This year, we will be limiting the club to 20 students.

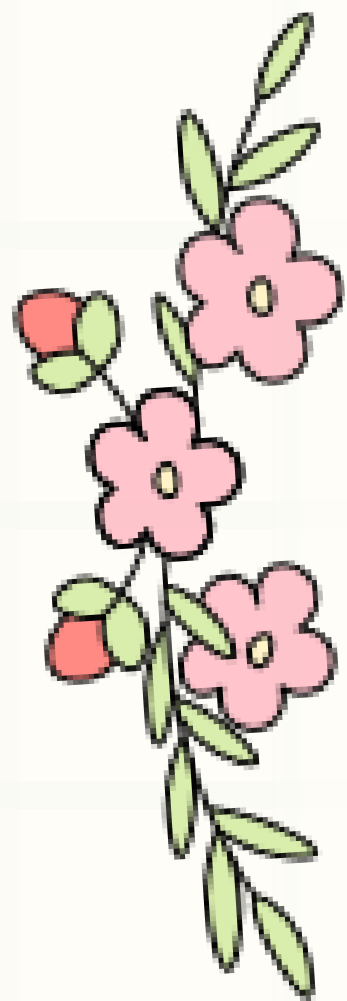

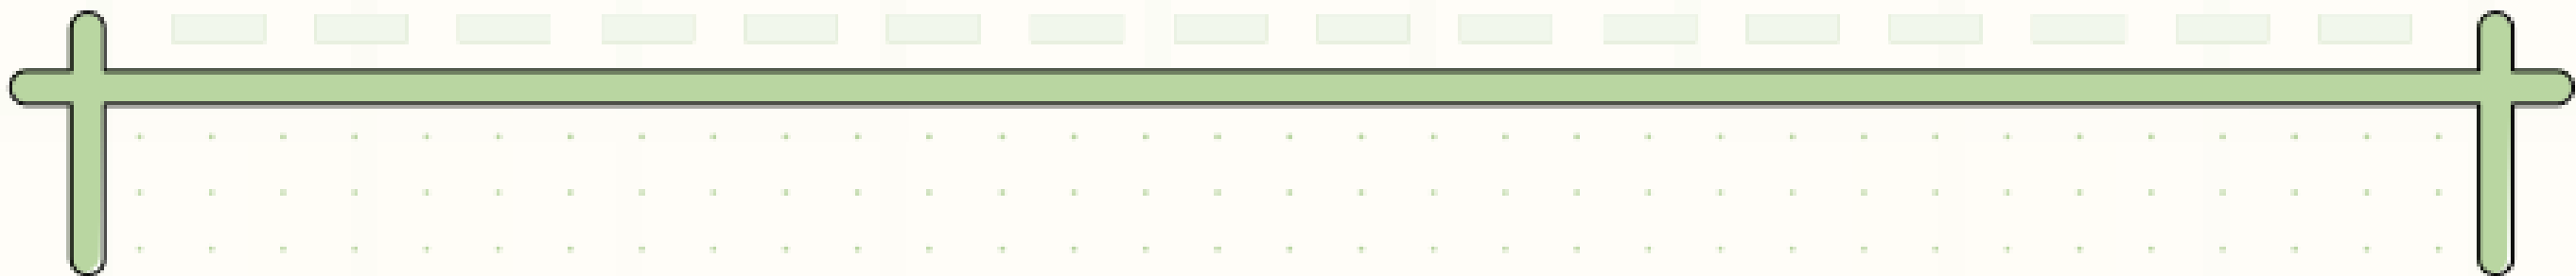

This is to ensure:

- quality work
- constant commitment
- working with the team
- minimal login issues

*If more than 20 people sign up, our Yearbook Advisor will help decide who stays, based on dedication and participation.

**THANK
YOU**
